

APPLICATION FOR ADMISSION TO THE BISHOP'S STORTFORD HIGH SCHOOL SIXTH FORM SEPTEMBER 2019

The Bishop's Stortford High School, London Road, Bishop's Stortford, Hertfordshire, CM23 3LU.
T. 01279 869531 F. 01279 868687 E. sixthform@tbshs.org W. www.tbshs.org

This form is primarily for students who do not have access to the Internet, otherwise you should make your application via the on-line application system on the school website www.tbshs.org. Go to **Sixth Form** then follow the links under **Applications For 2019**.

Please complete this form in BLACK INK and BLOCK CAPITALS and return it to Mr R H Stark, Assistant Headteacher, Head of Sixth Form (Sixth Form Application) at the above address no later than **Friday 14th December 2018**.

NB: You can fold the form to use a small envelope, otherwise if you use an A4 envelope please make sure you use a large letter stamp or equivalent postage. The school is not able to accept forms with insufficient postage.

Sixth Form Admissions

The Bishop's Stortford High School offers two post-16 pathways to accommodate different learning styles. Entry to the Sixth Form is dependent upon achieving the basic minimum requirements at GCSE. Students wishing to study the A-Level pathway require a total points score of at least 44 from eight GCSEs. Students wishing to study the combined BTEC and A-Level pathway require a total points score of at least 34 from eight GCSEs. Both pathways require at least a grade 5 in Mathematics and in English Language or English Literature. Students also need to meet the subject specific entry criteria as detailed in the relevant sections of the Sixth Form Prospectus.

The intended number to be admitted to the Sixth Form in 2019 is 200. A minimum of 45 places in Year 12 will be reserved for external applicants who meet the stated minimum entry requirements. Children who meet the entry requirements and have an Educational Health Care Plan (EHCP) that names the school will be admitted.

In the event that a pathway is over-subscribed, then places for external applicants will be allocated (to students meeting the entrance requirements) by applying the following oversubscription criteria in the order set out below.

- Priority will be given first to appropriately qualified applicants who are children looked after or previously looked after (children who ceased to be looked after because they were adopted or became subject to a child arrangements order or special guardianship order).
- Priority will then be given to children who live nearest to the school, measured by using the Hertfordshire Local Authority's computerised mapping system. Should two applicants have the same home-school distance a random allocation will be made and that process will be independently supervised.

Other notes:

- When we send updates about your application, we prefer to send messages to student/parent/carer home e-mail addresses and personal mobiles. We prefer to avoid work/school e-mail addresses because work/school e-mail addresses might not always be as confidential as they should be.
- After applications have closed, we will contact your school directly to request your teacher predicted GCSE/BTEC grades.
- Final decisions (in August) regarding pathway and subject choices will only be confirmed once actual GCSE grades are known and it is confirmed that applicants have met the minimum academic requirements for each course.
- The full admissions policy can be viewed on the school website.
- Closing Date for Applications: 14th December 2018.

Student, Parent-Carer And Application Details (You are required to fill-in the details listed below).**Student Personal Details**

Student Legal Surname:

Child with a brother or sister at the School:	Y / N
Name(s) of Current/Past TBSHS Sibling(s):	

Option / Enhancement Details

Please rank in order of preference (1 being most important) the three (four) subjects that you wish to study along with your predicted grade(s) for the prerequisite subjects as specified in our Options booklet. The vast majority of students will study 3 A-levels, but students predicted to achieve 5 8/A* grades (or more) may have the opportunity to study 4 subjects.

- Reminder: Each BTEC option counts as two choices.
- Please remember that it is important to be as precise as you can be as it may not be possible to change a subject at a later date.
- All requests for changes should be made in writing to, or by appointment with, Mr R H Stark, Assistant Headteacher, Head of Sixth Form.
- Those wishing to study Further Mathematics must also choose Mathematics. When selecting your other subjects, please do not select a third Mathematics option as one of these other subjects.
- Applicants should be aware that some of the "Russell Group" universities may not accept the grades or tariff points from certain subjects towards non-related degrees as they consider them to be so-called "soft options". Students should contact the individual universities themselves if they require further information.
- Some universities also advise against studying both Business Studies and Economics, Film and Media Studies, BTEC Science and an A-Level Science, BTEC Sport and A-Level Physical Education.

Options - Choose - 3 main (or 4 if taking 4)

Option Priority	Option Subject	Predicted Grade (GCSE)
01		
02		
03		
04		

The subjects you can choose from are:

A-Level Art and Design	A-Level Film Studies	A-Level Music
A-Level Biology	A-Level French	A-Level Music Technology
A-Level Business Studies	A-Level Further Mathematics	A-Level Physical Education
A-Level Chemistry	A-Level Geography	A-Level Physics
A-Level Computing	A-Level German	A-Level Product Design (DT)
A-Level Drama and Theatre Studies	A-Level Government and Politics	A-Level Psychology
