26<sup>th</sup> September 2018

Dear Parents/Guardians

**Careers Forum 24<sup>th</sup> October 2018 5pm-7pm**

The Bishop's Stortford High School are pleased to invite you to the School's biennial Careers Forum taking place on **Wednesday 24<sup>th</sup> October 2018**.

The event is designed to give our students some insight into the careers available and allow them to ask questions and gain information from professionals. Exhibitors can give guidance on A level options plus advice on careers, further/higher education choices, entry requirements, professional and craft careers. The evening will provide the perfect opportunity to help our students begin to develop their ideas about higher education or employment and to make important choices about their futures. **All students are expected to attend.**

We currently have over fifty-five professions represented including insurance, law, veterinary, accountancy, motor mechanics, architecture, pharmacy, medicine, engineering, web design/marketing, surveying and physiotherapy. All of the armed services will be present plus nationwide recruitment companies such as GSK, Deloitte, Raytheon Systems UK and the Civil Service along with companies who specialise in apprenticeship pathways. Many local companies will be present as well as some higher education establishments (University of Hertfordshire) and further education providers (Harlow College and Stansted Airport College); it promises to be a busy and stimulating evening.

Exhibitors will be available on an individual basis and due to the large number of students invited, the evening will be staggered. Therefore **Year 10 are invited 5pm-6pm (with Year 12) and Year 11 between 6pm-7pm (with Year 13)**. *Students must wear school uniform and parents/carers are encouraged to accompany their sons.* There will be an attendance register in the reception of school so can students please ensure they sign in on entering school. If unaccompanied, we cannot accept responsibility for your son on the journey to and from the Careers Forum. It is likely to be a very busy evening and if arriving by car, you may find it helpful to park in the surrounding residential area rather than on the school site.

We look forward to seeing you there.

Yours sincerely,

**Claire Jonas**  
Careers Lead

**Dr Martyn Fisher**  
Head of Year 11

**Mr Wheatley**  
Head of Year 10

.....  
Please return to Claire Jonas, Careers Lead c/o The Front Office, TBSHS
