## Foundation Learning / Pre Apprenticeships

These programmes provide young people with the skills and qualifications needed to access full time courses, apprenticeships and employment. They are a good option for those whose grades are mainly below D at GCSE or have few formal qualifications. Attending one of these courses may allow parent(s) to continue claiming Child Benefit and Tax Credits.

## Full time work

If you are job ready and have a positive attitude, and are an Essex resident, support is available from the **Employability & Skills Intervention Team** and a team of **Transition Personal Advisers** (students in Hertfordshire may contact Youth Connexions). For more information, please call 0800 707 6384.

## Further support

### Youth Connexions – Hertfordshire

Youth Connexions provides youth work, information, advice, guidance and support for young people aged 13 to 19 (up to 25 for young people with learning disabilities). It also provides support for young people leaving care up to the age of 21. Some of the key staff delivering services are Personal Advisers who are professionally trained to provide the highest level of support. Herts careers Youth Connexions can help young people with the issues which are important to them such as jobs, careers and education alongside other issues such as relationships, sexual health, confidence, self-esteem, substance misuse, housing and independent living skills. Youth Connexions keeps in touch with young people during their transition years to offer support up until their 20th birthday. They telephone, email, text or write to young people to make sure they know Youth Connexions are here to help them. Students can speak to a Personal Adviser at the local Bishop's Stortford Youth Connexions Centre at Northgate.
