Dear Parents,

### **Work Experience: 17-21 June 2019**

I am writing to inform you of the dates and procedures relating to Work Experience which for Year 10 will take place next year, **17-21 June 2019**.

Perhaps now more than ever, Work Experience is of huge and significant importance; a stressed job market and rising University fees means that Work Experience could prove invaluable in helping our students and its importance should not be under-estimated. Work Experience gives CVs a competitive edge; students can see for themselves the realities of the world of work outside the comfortable and familiar environment of school and it raises confidence in their abilities - as well as renews their motivation to achieve at school.

Please find attached the forms for completion by your son as well as the Parental Consent Form. Your son will learn more about the Work Experience Programme during assemblies and tutor groups, plus there is the **Information Evening on 20 November 6.00pm-7.00pm** for parents/carers and students.

### **School Placements**

A few placements are available to me for allocation via our providers, Youth Connexions but the choices available to us are **very** limited and your son will need to have a **very** flexible approach therefore we recommend that students find a **private placement**.

### **Private Placements**

**I would ask that as far as possible, you secure a *private placement* for your son.**

Private placements are obviously one way of guaranteeing exactly what you son does for his Work Experience and can be among the most successful experiences, as well as avoiding any disappointment with regard to choices. A CV is helpful to an employer and I would suggest your son write several letters to several employers **as soon as possible**; I attach an example of both but feel free to adapt/change. If your son would like suggestions of who to write to, then please ask him to come and see me in the library office.

If you are able to secure a private placement, please ask the prospective employer to complete the **Work Experience Private/Own Placement Form** (page 5). The school follows guidelines issued by The Health and Safety Executive and Youth Connexions therefore if not already on the employment register, all potential employers must agree to a visit by a H & S Inspector to discuss insurance, appropriate tasks etc. Students are not permitted to work with Sole Traders. **The Work Experience Private Placement Form should be handed to the prospective employer by your son, completed and returned to school with the Parent Consent Form by Friday 8 February 2019.**

**\*\*\* Please ensure that the Public Liability & Employer's Liability boxes are complete \*\*\***

**TBSHS: A truly all-round education**

Placements in London and within an approximate forty-mile radius of the school are acceptable (in exceptional circumstances, placements may be arranged beyond this radius) however, placements outside of Herts and a 5 miles radius of school are subject to a surcharge of £20. The charge is to cover the Health & Safety Inspector's visit plus other charges incurred by the relevant careers advisory service. Please make cheques payable to TBSHS and return with the private placement contact information. **I cannot begin to process paperwork unless I have the fee in advance.** There is no charge for private placements inside Herts and within a 5 mile radius of school (including Stansted, Stansted Airport, Great Dunmow, Ongar, Enfield & Harlow). Please note; pupils are **not** allowed to work with a single person employer (sole trader).

All parents/carers must complete the **Parent Consent Form** (page 6) and if your son is unable to source his own placement, then he should complete the **Student Work Experience Request Form** (page 7) and return it to me as soon as possible. The deadline for returning all the forms is **Friday 8 February 2019, this is the LAST day for forms to be returned!** Students whose forms have not been returned by this date will be allocated a placement from the Youth Connexions listings. Similarly, private placement information returned after this date **cannot be processed**. Late forms & placements are subject to a very hefty surcharge by Youth Connexions which we will need to pass on to students.

The overwhelming response from both students and employers is that Work Experience is extremely worthwhile and fulfilling, I hope your son rises to the challenge! If you have any queries, or need any advice on completing the attached form(s), please contact me here at the school.

Yours sincerely,

**Claire Jonas**
