September 2021

Dear Parent or Carer

Duke of Edinburgh Gold Award Practice Expedition
Friday 24th – Monday 27th September 2021

Each of the Duke of Edinburgh Gold Award participants will be going to Snowdonia National Park to do their practice expedition. We will be leaving School at around 7am in the morning on Friday 24th September and returning in the evening of Monday 27th. Students will be walking in groups, carrying all their kit, and be trained and monitored by TBSHS staff, including a Mountain Leader. The students will be accompanied on the first day, and will be supervised more remotely once they are confident; this Practice Expedition is intended to prepare them for the Qualifying Expedition, which must be completed independently with only remote supervision. The groups will be camping at sites with facilities, except on one night when they will be camping wild, when staff will visit them in camp and be staying nearby.

The intended itinerary is as follows:

- Friday:** Arrive at school in suitable walking/travelling kit. Drive to Snowdonia National Park. Aim to complete some acclimatisation activities together as a group, before setting up camp for the night.
- Sat-Mon:** Teaching days, learning/revising navigation, walking as a group, safety on the hill. Complete a practice expedition, including one wild camp, supervised and accompanied by staff as appropriate. Return to school at approximately 20:00 on Monday (this may be later if we are unlucky with traffic).

The cost for the trip remains as £110 to cover transport and accommodation for students and staff, fuel, and insurance, and including a £10 contribution towards kit. Payment will be via Parent Pay for the trip. Should the cost of equipment or the trips be a barrier to your child's participation, please do get in touch with me to see what can be arranged, as funds are available to ensure this opportunity is available to all. If you foresee any problems with payment, please contact on the school phone number or by email dofe@tbshs.org

A copy of the kit list is included with the earlier letters. It will be considerably colder and wetter than it would have been in July so the students will need to pack accordingly. Please note that rucksacks, sleeping mats and tents can be borrowed from school, and that stoves and fuel **MUST** be borrowed from school. The School reserves the right to withdraw a student from the trip if their behaviour in school or on the trip means that they could not be trusted or would be likely to undermine the safety or success of the trip for others. If you have any questions please feel free to contact us on the School phone number or by email – dofe@tbshs.org

Please return the completed OV7a form by Monday 13th September.

Yours sincerely

Miss Paula Hughes
Duke of Edinburgh Coordinator.

The groups will be camping at sites with facilities, except on one night when they will be camping wild, when staff will visit them in camp and be staying nearby.

The intended itinerary is as follows:

- Friday:** Arrive at school in suitable walking/travelling kit. Drive to Snowdonia National Park. Aim to complete some acclimatisation activities together as a group, before setting up camp for the night.
- Sat-Mon:** Teaching days, learning/revising navigation, walking as a group, safety on the hill. Complete a practice expedition, including one wild camp, supervised and accompanied by staff as appropriate. Return to school at approximately 20:00 on Monday (this may be later if we are unlucky with traffic).

The cost for the trip remains as £110 to cover transport and accommodation for students and staff, fuel, and insurance, and including a £10 contribution towards kit. Payment will be via Parent Pay for the trip. Should the cost of equipment or the trips be a barrier to your child's participation, please do get in touch with me to see what can be arranged, as funds are available to ensure this opportunity is available to all. If you foresee any problems with payment, please contact on the school phone number or by email dofe@tbshs.org

A copy of the kit list is included with the earlier letters. It will be considerably colder and wetter than it would have been in July so the students will need to pack accordingly. Please note that rucksacks, sleeping mats and tents can be borrowed from school, and that stoves and fuel **MUST** be borrowed from school. The School reserves the right to withdraw a student from the trip if their behaviour in school or on the trip means that they could not be trusted or would be likely to undermine the safety or success of the trip for others. If you have any questions please feel free to contact us on the School phone number or by email – dofe@tbshs.org

Please return the completed OV7a form by Monday 13th September.

Yours sincerely

Miss Paula Hughes
Duke of Edinburgh Coordinator.

September 2021

Dear Parent or Carer

Duke of Edinburgh Gold Award Practice Expedition
Friday 24th – Monday 27th September 2021

Each of the Duke of Edinburgh Gold Award participants will be going to Snowdonia National Park to do their practice expedition. We will be leaving School at around 7am in the morning on Friday 24th September and returning in the evening of Monday 27th. Students will be walking in groups, carrying all their kit, and be trained and monitored by TBSHS staff, including a Mountain Leader. The students will be accompanied on the first day, and will be supervised more remotely once they are confident; this Practice Expedition is intended to prepare them for the Qualifying Expedition, which must be completed independently with only remote supervision. The groups will be camping at sites with facilities, except on one night when they will be camping wild, when staff will visit them in camp and be staying nearby.

The intended itinerary is as follows:

- Friday:** Arrive at school in suitable walking/travelling kit. Drive to Snowdonia National Park. Aim to complete some acclimatisation activities together as a group, before setting up camp for the night.
- Sat-Mon:** Teaching days, learning/revising navigation, walking as a group, safety on the hill. Complete a practice expedition, including one wild camp, supervised and accompanied by staff as appropriate. Return to school at approximately 20:00 on Monday (this may be later if we are unlucky with traffic).

The cost for the trip remains as £110 to cover transport and accommodation for students and staff, fuel, and insurance, and including a £10 contribution towards kit. Payment will be via Parent Pay for the trip. Should the cost of equipment or the trips be a barrier to your child's participation, please do get in touch with me to see what can be arranged, as funds are available to ensure this opportunity is available to all. If you foresee any problems with payment, please contact on the school phone number or by email dofe@tbshs.org

A copy of the kit list is included with the earlier letters. It will be considerably colder and wetter than it would have been in July so the students will need to pack accordingly.
